Section 4. Consumer Protection	
4.1 Applicability	
Prov of the al including those fo o nd the resolution of conts, ap tate distance educat ping SARA institutions to students in other SARA states. Only those complaints resulting from distendent courses offered by participating institutions to students in other SARA states come under the terms of the agreement. Complaints about a SARA institution's in-state operations are to be resolved under the state's provisions, not those of SARA.	tance
4.2 Role of Home State	
SARA consumer protection provisions require the home state, through its SARA "portal entity, to investigate and resolve allegations of dishonest or fraudulent activity by a provider, including the provision of false or misleading information.	l"
4.3 Examples of Consumer Protection Issues	
Examples of issues that may arise in regard to alleged fraudulent activity or more generomplaints include, but are not limited to:	ral
a. Verac d marketing materials;	
b. Accur data; c. Accuracy of information about tuition, fees and financial aid; d. Complete and accurate admission requirements for courses and programs; e. Accuracy of information about the institution's accuracy of information about the institution's accuracy.
